

Trial 6Day Membership

Thank you for considering membership at Muirfield Golf Club. Our trial membership program is a special offer that allows you to experience up to three months of 6 Day Playing Membership at Muirfield Golf Club before having to decide to commit to applying for one of our standard categories. A fee of \$29 is payable (including \$20 worth of redeemable bar credits) to join as a house member. Any house member that places on deposit with us an amount of \$550 will be given three months worth of 6 Day playing rights on the golf course. At the conclusion of the three months you will be given the option of continuing a playing membership or reverting to house membership. If you decide to take up playing membership and pay the fees for the category which you have chosen your \$550 deposit will be applied to your joining fee, the total real cost to you for your first three months of membership has been \$9. If, at the end of the trial period you decide not to continue into a playing category, a fee equivalent to three months worth of 6 Day playing membership will be applied to your deposit and you will be reimbursed the difference, you will only pay for the three months of playing rights that you were granted (11/12 fee is \$413). In either case you must hand in your trial membership card to receive your permanent playing member's card or to receive your reimbursement of unused deposit and house membership card.

As a trial member you will be given the opportunity to establish a club handicap which you can use in competition at Muirfield, you will have playing rights on the course every day except Saturday, including access to the Club's competitions under the normal qualification requirements that may apply to specific competitions, and you can practice on the course, when the tee is open for practice, Sunday to Friday.

A minimum of three cards with the date, your name, your score on each hole (two over par on any hole is the maximum used for the calculation of a men's handicap) bearing your signature and the signature of another player currently holding an AGU or WGA handicap must be lodged with the office before your handicap can be established, if you already have a valid handicap your Golf link number will need to be lodged at the office before you may compete in a Muirfield competition. You may play in a competition field for your handicap cards under certain conditions, please check with the office prior to placing your name on a competition sheet.

Ladies Competitions are on Tuesdays and Thursdays and the booking sheets are released two weeks in advance in the Ladies Locker Room. Men's Competitions are on Wednesdays and Saturdays and the Wednesday sheets are released one week in advance either to the locker room (AM Field) or the main club lounge booking terminals (PM Field). Mixed or medley events are on Mondays and Sundays and the sheets are released one week in advance as above.

Dress regulations are in force at all times! A copy of the Dress Rules is on the reverse of this notice. Please report to the Pro Shop at least 15 min before your booked hit off time in any competition. Remember to report to the Pro Shop before any practice round, we recommend calling the starter prior to attending the course to avoid disappointment.
